Nov. 5/65.

Dear Wallcut,

160

I am sending out circular letters to members of Mass. A. S. Socy, to obtain the means to carry the Socy. to its Annual Meeting, clear of debt. In each letter, I put an envelope, with my name & address printed upon it, for such reply as each may make.

I enclose one of these envelopes for you to <sup>see &</sup> keep. <sup>(Please not leave it lying around.)</sup> All letters which come to your office, so directed, please lay aside in a secure place until I come. They are not to be sent to Leicester.

All other letters for me, please send hither for the present. I am in doubt whether to go to Boston or not, this week. Some work of my own is pressing for my attention, & I can do this circular work here as well as there.

Very truly, Yours, L. May Jr.
